Conservation Area Character Appraisal

A Character Appraisal for Norton Green Conservation Area has not yet been produced. The appraisal will define the conservation area's boundary and analyse the special architectural and historic interest of the area. It will define specific features which contribute to the area's character, such as:

- historic buildings and buildings which are locally significant
- important green and open spaces
- significant views
- natural elements such as trees and waterways
- features which help make the area locally distinct

Article 4 Directions

There are no Article 4 Directions within the conservation area.
