Please read the following notes carefully and complete the attached application.

The Tennyson Trail is a Byway Open to All Traffic which is an unsurfaced track maintained to the standard of a bridleway and has some steep gradients and uneven surfaces. It is your responsibility to ensure that you have a suitable vehicle for use on the Trail.

The Traffic Regulation Order (TRO) applying to the Trail between Nodgham Lane, Carisbrooke and the Military Road, Freshwater Bay prohibits access by all public motor vehicle traffic.

Persons in one of the following categories may apply for a permit to allow them to take a nominated vehicle along the Trail during the period 1 April until 30 September inclusive. Permit holders are required to sign an undertaking that they will drive with due care and attention and will not at any time exceed 10mph.

- Holders of a current Blue Badge for disabled people with mobility problems
- Taxis (licensed hackney carriages)

The Permit Scheme is for the purpose of assisting those persons who would not otherwise be able to enjoy the Trail due to limited mobility. Permits will be restricted to community vehicles used for this purpose.

In the case of Blue Badge holders, the applicant (badge holder) must be present in the vehicle when using the Trail. The permit is not transferable to any other person.

In the case of community vehicles, the applicant should be the keeper of the vehicle and the names of regular drivers be given.

Please note:

- **Normal motoring legislation applies.**
- **The vehicle must be roadworthy.**
- **It is an offence to drive a motor vehicle on a Byway without valid MOT, insurance and driving licence.**
