

Summer Born Children Request for Delayed Entry in to Year Reception Isle of Wight Primary Schools Only

This form is for parents of summer born children (children born between 1 April to 31 August in any year) seeking approval for their child to be admitted out of their normal age group.

If approved, you will be entitled to apply for a place for your child to start Year R when he/she reaches compulsory school age (ie the term following their fifth birthday).

This form can be completed for all primary schools. The local authority will make the decision for all community and voluntary controlled schools on the Isle of Wight.

If you are applying to an Academy, Aided, Foundation or Trust School, the form will be forwarded to them and they will make the decision.

In all cases it is advisable that you contact the schools that you are interested in applying for and discuss this with the Headteacher prior to applying for delayed entry.

Before completing this form, please read the guidance on delayed entry admission for summer born children available on the Council website at:
