

WHERE CAN I FIND USEFUL CONTACTS, INFORMATION AND RESOURCES TO SUPPORT HOME EDUCATION?

There are many organisations, groups and websites which provide information and support for home educating families which can be easily accessed through a search on the internet or through the links pages of some of the groups below. Whilst these organisations, groups and websites may provide helpful advice, guidance and support relevant to home education, their inclusion in this document does not imply an endorsement of them by the Isle of Wight Local Authority. The views expressed within external websites are those of the site's owners and, unless specifically stated, are not those of the Local Authority.
