

## Early years/foundation stage

[Social story From ELSA support](#). An excellent resource for younger children, or those with additional needs, about coronavirus using a social stories format. It will help young people or those with additional needs to understand the troubling situation.

[The Early Years' Alliance](#) aimed at early years practitioners, giving practical advice around coronavirus and nursery closure.

[Twinkl](#) has advice for schools and early years settings as well as home learning packs for the EYFS. Many free resources can be downloaded; however, some resources are linked to a subscription, which costs about £6 a month. Twinkl is allowing free downloads for many of their coronavirus related products, including home learning packs. You will need to set up an account which is free to do.

Twinkl has also completed an [interactive timetable](#) for three and four-year-olds when at home during preschool closures.

[YouTube Video](#). A video explaining coronavirus for children in Key Stage 1, the emphasis is on information and personal hygiene:
