**Parents Voice IW**, the Island's Parent Carer forum for families of children and young people who have a special educational need or disability, are pleased to welcome **Carol Robinson** from the organisation [Preparing for Adulthood](#) who will be joining us for this event, which has been designed to complement the work that is currently taking place around improving the experience of our young people around transition from children's to adult's services.

Also invited are IW officers from Education, Social Care, the NHS Clinical Commissioning Group (CCG) and representatives from a number of other local organisations to tell us how they are able to help support our local young people with special educational needs and disabilities as they grow up into young adults.

- Getting the right Information Advice and Guidance
- Continuing in Education
- Employment Support

- Housing and Independent Living
- Available Financial Support
- Transition Team (Health and Social Care)
