

On May the 3<sup>rd</sup> Check It Out held a conference with the Check It Out volunteers and The Young Inspectors and Brett White. Also in attendance, Andrew Briggs from the Local Offer & CCG AND Kelly Quinn Short Breaks Coordinator.

The meeting was to see if the Young Inspectors had any more changes they wanted to make with regards to the Check It Out APP. The CIO Volunteers also wanted to add more entries to the APP before it went live on android.

We discussed marketing the Check It Out APP alongside the Local Offer and discussed with Andrew that if this was to be the case then we would also like to have additional funding to update some of our marketing ie; Pens, Posters Banners and some other possible ideas that the Check It Out volunteers wanted.

Kelly Quinn from Short Breaks and head of The Young Inspectors also would like to work alongside the Local Offer and Check It Out. we discussed doing presentations with the Young Inspectors around some of the local schools .

Brett White has already amended the font size since the meeting as requested by the Young Inspectors and is in talks with the Bestival to promote a short Check It Out video on the big screens to reach a bigger audience.

Than you to all who attended.

Natalie Appell.
