2.

Strategic Assessment / Strategic Plan

The documents had been circulated prior to the meeting, partners discussed the documents, the key points from the Strategic Assessment included: :

- How the data was collected.
- Community consultation
- Methods of recording Police data
- Comparing data with other similar areas.
- Locations where most crime is committed and the types of crime.

Overall crime has decreased and IOW scores well in comparison to similar areas, however violent crime, domestic abuse, missing persons and youth offending are higher than similar areas.

It was agreed that further analysis of violent crime including knife crime and profiling of hot spots is required.

Actions

HT to contact Danika Barber to discuss Health and wellbeing survey and inclusion of Community Safety questions.

HT to ensure additional information is included in next year's assessment including: use and impact of legal highs.

Key points discussed from the Strategic plan included:

- Priorities and actions
- The impact of vulnerability factors on crime and referral procedures.
- Road Safety

Partners agreed the priorities as recommended and also Road Safety.

Actions:

Reducing reoffending actions to be delivered by IOM steering group, HT to work with NS to develop the group with additional partners.

HT to contact Responsible Authorities group to work with Night Time Economy group on reducing alcohol related crime.

HT to contact Paul Saville from My life a Full Life about CSP participating in their community engagement events

JH to send actions on road safety to be included in the plan to HT.

3. Resourcing the CSP
AG informed the partners that the Police had committed resources to support the CSP, Probation were unable to contribute. CCG and CRC have not responded.

Action
AG to write to CCG and CRC to request commitment for 16/17
JH to inform HT of Analytical support which can be provided by Fire and Rescue.
4. Reducing Reoffending Update

The update was rescheduled for the next meeting
5. Prevent update

AG explained that IOW work within the Hampshire and IOW Prevent Board however IOW are required to produce an action and engagement plan to reflect the local risk from counter terrorism. It was agreed to hold two additional CSP meetings a year which would serve as the IOW Prevent Board, additional Safeguarding members to be invited.

Action
HT to organise meetings and circulate dates and papers.
6. Information sharing agreement
HT informed partners that currently IOW CSP is operating under the Hampshire and IOW Criminal Justice Board information sharing agreement and there is a need for a refreshed agreement which meets the purpose of sharing information between IOW CSP partners (and additional member organisations)

It was agreed to hold training for the partners and set up a task and finish group to develop information sharing agreement and protocol.

Action
HT to schedule training and set up a task and finish group.
