

Declaration for registering or cancelling paperless billing

I understand that registering for paperless billing will result in all my Council Tax bills from Isle of Wight Council being issued in a PDF format as an email attachment, and that the Council will no longer issue paper bills to me. I accept responsibility for updating my email address at www.iow.gov.uk/myaccount if it changes, and I accept that the Council reserves the right to change how my bill is made available for me to view. I understand that I can cancel my paperless billing registration at www.iow.gov.uk/myaccount

I understand that cancelling my registration for paperless billing will result in all my Council Tax bills from Isle of Wight Council being sent to me by post at my last known contact address. I accept responsibility for letting the Council's Revenues Services know if my contact address has changed or will change. I understand that after cancelling my registration, I can register again for paperless billing at www.iow.gov.uk/ctebill

I confirm that the information I have given to the Isle of Wight Council is correct, and I give permission for the Council to update how my Council Tax bills are issued to me.
