### **DIRECTIONS FOR VISITORS FROM THE MAINLAND**

If arriving on the ferry at YARMOUTH, follow the signs for NEWPORT, then follow signs for RYDE. Approximately 2 ½ miles from Newport, there is a large roundabout. Go straight ahead (still signed for Ryde), and immediately you leave the roundabout, there is a small slip road on the right to the Crematorium.

If arriving on the ferry at EAST COWES, take the road out of East Cowes towards NEWPORT/RYDE. After approximately 3 miles there is a large roundabout. Turn left (signed for Ryde). Immediately you leave the roundabout, there is a small slip road on the right to the Crematorium.

If arriving on the ferry at FISHBOURNE, turn right out of the ferry port and follow the road to a T junction with traffic lights. Turn right towards NEWPORT. After approximately 2 ½ miles there is a large roundabout (signed for Newport and East Cowes). Immediately before the roundabout there is a small road on the left just after a bus stop. This leads to the Crematorium.
