

Christ the King College Admissions Policy 2022 - 2023

Christ the King College is a joint Church of England and Catholic Voluntary Aided college. It is in the Trusteeship of the Church of England and Catholic dioceses and maintained by the Isle of Wight Council. The College received statutory approval to become a College for students aged 11 to 19 years with effect from September 2010.

In a voluntary aided school, the governing body, the majority of whom are appointed by the Church authorities, are responsible for determining and applying the admissions policy. The Local Authority is responsible for co-ordinating the admissions process across the Island and the College is included in the co-ordinated process.

The College is founded on a formal 'ethos statement', agreed by the Church of England Diocese of Portsmouth and the Catholic Diocese of Portsmouth. It defines the nature and purpose of the College. In particular, religious education and religious worship are in accordance with:

- i. the tenets, teaching and practice of the Church of England;
- ii. the tenets, teaching and practice of the Catholic Church.

Co-ordination of admissions on the Island

The Local Authority is responsible for co-ordinating the admissions process across the Island and the College is included in the co-ordinated process. Details of the co-ordinated scheme can be found in the Isle of Wight composite booklet on admissions "Educating Your Child 2022-2023", online at www.iwight.com/schooladmissions. The booklet also contains the timetable for the admission process for September 2022, together with all the necessary deadlines for completion of forms.

Timetable

The timetable for the admission process for September 2022, together with all the necessary deadlines for completion of forms, is given in the Isle of Wight composite booklet on admissions "Educating Your Child 2022-2023".

THE POLICY FOR ADMISSIONS TO THE COLLEGE

The governing body will admit 180 pupils to Year 7 in September 2022.

Should there be more applications than the 180 places available, each application will be considered equally and strictly in accordance with the College's policy irrespective of the order of preferences expressed on the Authority's Common Application Form.

The Policy

The College policy includes 3 sets of categories: A, B and C. Criteria set out in Category A have been determined in agreement with the Catholic Diocese of Portsmouth for 80 places; those in Category B have been determined in agreement with the Church of England Diocese of Portsmouth for 80 places; Category C represents the 20 places available to children of families of no Christian or faith tradition.

Once all applications have been received, the first stage will be to consider all applicants in both lists A and B. All applicants will be treated equally. Those in list A will be ranked in priority order according to the criteria set out for A. The same applicants will also be ranked in priority order according to the criteria set out for B. Those with no Christian or faith tradition will only be ranked in priority order under category C. The next stage will be to allocate the 180 places. The 180 places offered at the College will be made up of the 80 highest

ranking applicants from list A, the 80 highest ranking applicants from list B and 20 applicants from list C. Should it be possible to offer an applicant a place under category A and category B, the highest ranking place will be offered. As applicants are allocated a place, their position in the other list will be freed up, allowing other applicants to move up. This process continues until all 180 places have been allocated. In the case of a tie, the oversubscription criterion will be applied.

Children with an Education Health and Care Plan.

The regulations on the admission of children with an Education Health and Care Plan (EHCP). Under these regulations, children who have an EHCP, naming the College in the EHCP, must be admitted to the College. This is not an over-subscription criterion. However, these placements count towards the published admission number. Where children can be identified with either of the categories A or B, they will count towards the admission number for that category. Otherwise, they will count towards the admission number for category C.

Children with a disability

Under the Disability Discrimination Acts 1995 and 2005, it is unlawful to discriminate against any child with a disability. In respect of admission to Christ the King College any application for a child with a disability will be considered alongside all other applicants strictly in accordance with the policy set out below.

Looked After and Previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted, or became subject to a child arrangements order or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989.) at the time of making an application to a school. All references to previously looked after children in this Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted

¹A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organization, or any other provider of care whose sole or main purpose is to benefit society.

This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

This is not an over-subscription criterion and is the first and highest category for admission to the College as set out in the policy below. Where children can be identified with any of the criteria in categories A or B, they will be offered a place under one of those categories. Otherwise they will be offered a place under category C.

Church Attendance

“In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship”.
