Good Morning,

As you made a representation when the Isle of Wight Council invited comments on the version of their Local Plan, the Island Planning Strategy 2022-2037, to be submitted for Examination (Regulation 19 stage), I am writing to advise you that the Secretary of State has appointed Inspector David Spencer BA(Hons) DipTP MRTPI and Inspector Andrew Steen BA(Hons) DipTP MRTPI to carry out the independent examination of this Plan. They will determine whether it has been prepared in accordance with the relevant legal requirements and that it is 'sound' i.e. positively prepared, justified, effective and consistent with national policy.

I have been appointed as the independent Programme Officer to assist the Inspectors with all aspects of the examination, and my contact details are set out below. Prior to the hearing sessions of the examination the Inspectors do not have direct contact with either the Council or Representors and all communications with the Inspectors takes place through the Programme Officer.

The Inspectors are currently appraising the Island Planning Strategy 2022-2037 together with the representations received at the Regulation 19 stage and the evidence base.

All the information on the examination is posted on the Inspectors' examination web pages, hosted by the Isle of Wight Council, and these can be accessed via the link below. The best way to keep in touch with the progress of the examination is to click on the link below and then on the Latest News and Updates page which will be updated regularly.

If you would like further information on the examination process please use the links below to access the following documents issued by the Planning Inspectorate on Local Plan Examinations:-

If you would prefer not to receive any further information on the examination, please let me know and I will remove your details from the notification list.

I will be writing to you again, which is likely to be before Christmas, when the Inspectors have completed their initial appraisal and I am able to give you further information on the next steps in the Examination.

Meanwhile, as I am your point of contact during the examination, if you have any queries at any stage of the examination please do not hesitate to contact me and I will be happy to help.

Kind regards,

Louise
