

ISLE OF WIGHT COUNCIL - HIGHWAYS PFI

SCHEDULE 7 - ATTACHMENTS

SCHEDULE 7

Attachments

1. AUTHORITY'S AND THIRD PARTIES' RIGHTS

1.1 The Service Provider shall permit:

1.1.1 the Authority and any Authority Party to attach or remove Authority Attachments;

1.1.2 Third Party Authorities, their sub-contractors and agents to attach or remove Third Party Attachments; and

1.1.3 Third Parties, their sub-contractors and agents to attach or remove other illuminated or non-illuminated attachments with the consent of the Authority,

to or from any Project Network Parts at any time during the Service Period provided always that those parties attaching or removing Attachments or other illuminated or non-illuminated attachments in accordance with this paragraph 1.1 shall act reasonably and taking into account the Service Provider's rights and obligations under this Contract.

1.2 Hanging Baskets and Banners

The Authority shall ensure that all Hanging Baskets and Banners attached by the Authority and Third Parties are suitable and satisfactory for use on the Project Network Part.

2. PROJECT NETWORK ATTACHMENTS

2.1 The Service Provider shall, from the Service Commencement Date, be responsible for those Project Network Attachments listed as maintainable in Appendix A but shall not be responsible for the maintenance of those Project Network Attachments listed as non-maintainable in Appendix A and for the avoidance of doubt all Project Network Attachments listed in Appendix A shall be deemed to be authorised for the purposes of this Contract.

2.2 Further, the Service Provider shall, from the Service Commencement Date, be responsible for, and shall use all reasonable endeavours to obtain all Necessary

Consents in relation to, new Project Network Attachments being those attached by the Service Provider pursuant to the Contract.

- 2.3 The Service Provider shall ensure that all Project Network Attachments attached by the Service Provider or any Service Provider Party on or following the Service Commencement Date):
 - 2.3.1 comply with all relevant Laws;
 - 2.3.2 comply with any restrictions in the manufacturers' recommendations in respect of the Project Network Parts to which such items are to be attached regarding the:
 - 2.3.2.1 method of fixing;
 - 2.3.2.2 maximum size, weight and height of any fixtures to the Project Network Parts;
 - 2.3.2.3 manufacturers' maintenance requirements; and
 - 2.3.2.4 loading or force placed upon the Project Network Parts at any time;
 - 2.3.3 are fitted (where relevant) with sockets, time switches and two gang isolators which comply with the provisions of schedule 2 (*Output Specification*); and are attached, maintained and removed in accordance with Good Industry Practice, schedule 2 (*Output Specification*) and all relevant Laws.
- 2.4 The Service Provider shall ensure that all Attachments included as part of the Services are maintained in accordance with the applicable requirements of schedule 2 (*Output Specification*).
- 2.5 The Service Provider shall be responsible (subject to paragraph 2.7 below) for all costs relating to the maintenance of those Project Network Attachments listed as maintainable in Appendix A (including the procurement and provision of electricity to the Project Network Attachment) from and including the Service Commencement Date.
- 2.6 The Service Provider shall be responsible (subject to paragraph 2.7 below) for all costs relating to the affixing and maintenance of any Project Network Attachment attached by the Service Provider or any Service Provider Party at their instigation

including the procurement and payment of electricity to such Project Network Attachment from and including the Service Commencement Date.

- 2.7 Where the Authority instructs the Service Provider to affix or maintain an Attachment from and including the Service Commencement Date the provisions of part 10 of schedule 13 (*Call-Off Services*) shall apply.

3. AUTHORITY ATTACHMENTS

- 3.1 The Authority shall, from and including the Service Commencement Date, be responsible for and shall obtain all Necessary Consents in relation to Authority Attachments attached by the Authority or any Authority Party
- 3.2 The Service Provider shall be responsible for all Authority Attachments and Third Party Attachments included as part of the Services pursuant to clause 48 (*Authority Highway Works*), schedule 13 (*Call-Off Services*), schedule 17 (*Change Protocol*) and/or schedule 18 (*Accruals and De-Accruals*). In the event that any Authority Attachment and/or Third Party Attachment (as relevant) are included as part of the Services pursuant to clause 48 (*Authority Highway Works*), schedule 13 (*Call-Off Services*), schedule 17 (*Change Protocol*) and/or schedule 18 (*Accruals and De-Accruals*), the Authority may propose amendments to Performance Standards and/or Performance Requirements or include new Performance Standards and/or Performance Requirements which are applicable to such Authority Attachment and/or Third Party Attachment (as relevant).
- 3.3 Any instruction of the Authority requiring the Service Provider to install Authority Attachments shall be priced in accordance with the applicable rates set out in the Catalogue, or where no applicable rates are included in the Catalogue, paragraph 2.2 of part 1 of schedule 17 (*Change Protocol*) irrespective of whether such payment exceeds the amount specified in the definition of Low Value Change.
- 3.4 The Service Provider shall obtain all Necessary Consents in relation to Authority Attachments to the extent that:
- 3.4.1 the Service Provider attaches such Authority Attachment pursuant to paragraph 3.3; and
- 3.4.2 the Authority includes such Authority Attachments as part of the Services pursuant to clause 48 (*Authority Highway Works*), schedule 13 (*Call-Off*

Services), schedule 17 (*Change Protocol*) and/or schedule 18 (*Accruals and De-Accruals*).

3.5 The Authority (in the case of Authority Attachments attached by the Authority or an Authority Party on or following the Service Commencement Date) and the Service Provider (in the case of Authority Attachments attached by the Service Provider or Service Provider Party on or following the Service Commencement Date) shall ensure that all such Attachments:

3.5.1 comply with all relevant Laws;

3.5.2 comply with any restrictions in the manufacturers' recommendations in respect of the Project Network Part to which such items are to be attached regarding the:

3.5.2.1 method of fixing;

3.5.2.2 maximum size, weight and height of any fixtures to the Project Network Part;

3.5.2.3 manufacturers' maintenance requirements;

3.5.2.4 loading or force placed upon the Project Network Part at any time,

3.5.3 are fitted (where relevant) with sockets, time switches and two gang isolators which comply with the provisions of schedule 2 (*Output Specification*); and are attached and removed in accordance with Good Industry Practice, schedule 2 (*Output Specification*) and all relevant Laws.

3.6 The Authority shall ensure that all Authority Attachments attached by the Authority following the Service Commencement Date are maintained in accordance with Good Industry Practice, schedule 2 (*Output Specification*) and all relevant Laws. Subject to schedule 17 (*Change Protocol*) and/or schedule 18 (*Accruals and De-Accruals*), the Service Provider is not responsible for Authority Attachments attached by the Authority following the Service Commencement Date and shall not suffer any adjustment if such Authority Attachments attached by the Authority following the Service Commencement Date are not attached, maintained or removed in accordance with Good Industry Practice, schedule 2 (*Output Specification*) and all relevant Laws.

- 3.7 Except as specifically stated otherwise in this Contract, the Authority shall be responsible for procuring and paying for the provision of electricity to any Authority Attachment. In the event and to the extent that the Service Provider pays for the provision of electricity to any Authority Attachment, the Service Provider shall be entitled to invoice the Authority and to be paid in respect of the payment for such provision of electricity in accordance with clause 56 (*Payment and Financial Matters*).
- 3.8 Within twenty (20) Business Days (or earlier if practicable) of the Authority attaching an Authority Attachment, the Authority shall notify the Service Provider that such attachment has been carried out and the Service Provider shall acknowledge receipt of the notification within twenty (20) Business Days (or earlier if practicable).
- 3.9 In respect of any Authority Attachment not included as part of the Services, the Authority shall carry out such maintenance works to the Authority Attachment as it considers is necessary (acting reasonably). The provisions of paragraph 3.6 above shall apply *mutatis mutandis* to any such Authority Attachment not included as part of the Services.
- 3.10 Within twenty (20) Business Days after the Service Provider:
- 3.10.1 becoming aware of the failure of an Authority Attachment to meet the requirements set out in paragraphs 3.1 and/or 3.5 and/or 3.6; or
- 3.10.2 becoming aware of damage caused by the Authority or an Authority Party to any Project Network Part whilst attaching or removing an Authority Attachment or carrying out maintenance works on the Authority Attachment;
- the Service Provider may, if the Service Provider considers that the Authority or Authority Party has damaged any Project Network Part whilst attaching or removing an Authority Attachment or carrying out maintenance works to the Authority Attachment serve written notice on the Authority to that effect, giving details of the alleged failure.
- 3.11 The Authority may within ten (10) Business Days of receipt of a notice served by the Service Provider pursuant to paragraph 3.10 dispute the content of such notice in which case the matter shall be referred to the Dispute Resolution Procedure.
- 3.12 If the Authority does not:

- 3.12.1 rectify the failure to comply with paragraph 3.1 and/or paragraph 3.5 and/or paragraph 3.6 or rectify damage caused by the Authority or an Authority Party (as detailed in paragraph 3.10 of this schedule 7 (*Attachments*)); or
- 3.12.2 instruct the Service Provider to rectify the failure to comply with the requirements of paragraph 3.1 and/or paragraph 3.5 and/or paragraph 3.6 or rectify damage caused by the Authority or Authority Party (as detailed in paragraph 3.10 of this schedule 7 (*Attachments*)); or
- 3.12.3 remove the Authority Attachment detailed in paragraph 3.10 of this schedule 7 (*Attachments*),

within ten (10) Business Days of the date of agreement or determination that such Authority Attachment does not comply with the requirements of paragraph 3.1 and/or paragraph 3.5 and/or paragraph 3.6 or that the Authority or an Authority Party has damaged any Project Network Part whilst attaching or removing an Authority Attachment or carrying out maintenance works on an Authority Attachment, the Service Provider shall thereafter have the right to remove such Authority Attachment and return it to any Service Provider depot and rectify any damage. The Authority shall be obliged to pay the Service Provider for the reasonable costs of any rectification, removal and return (provided the Service Provider has used all reasonable endeavours to minimise such rectification and removal costs and costs of return).

- 3.13 In the event that the Authority issues an instruction to the Service Provider in accordance with paragraph 3.12.2, the Service Provider shall be obliged to carry out such rectification or removal and the Authority shall be obliged to pay the Service Provider for such rectification or removal in accordance with the applicable rates set out in the Catalogue, or where no applicable rates are included in the Catalogue, paragraph 2.2 of part 1 of schedule 17 (*Change Protocol*) irrespective of whether such payment exceeds the amount specified in the definition of Low Value Change, provided the Service Provider has used all reasonable endeavours to minimise such rectification or removal costs.

- 3.14 The Authority shall not be responsible for:

- 3.14.1 any damage caused to any Project Network Part by the Service Provider or any Service Provider Party when attaching, maintaining or removing any Attachments; and

3.14.2 any damage caused by the Authority or an Authority Party to any Project Network Parts whilst attaching or removing an Authority Attachment or carrying out maintenance works on an Authority Attachment to the extent that such damaged Project Network Part is or will be (notwithstanding such damage) the subject of a planned replacement in accordance with the applicable provisions of this Contract, save that the Authority shall be responsible for the Service Provider's costs, expenses, losses and liabilities (including in relation to additional maintenance works, Availability Adjustments or Performance Adjustments) incurred in relation to the period up to the carrying out of such planned maintenance.

4. THIRD PARTY ATTACHMENTS

4.1 Subject to clause 67 (*Indemnity*) of the Contract, if the Service Provider causes damage to any Third Party Attachment, the Service Provider shall indemnify the Authority against all losses or damages incurred by the Authority. The Service Provider shall not indemnify the Authority against any damage caused to any Third Party Attachment by any works to the extent that such works were carried out by the Authority or an Authority Party.

4.2 The Authority shall be responsible for any damage caused to any Project Network Part by a Third Party Attachment or any works to a Third Party Attachment and paragraphs 3.5 to 3.14 (inclusive) shall apply as if reference to "Authority Attachments" has been replaced with reference to "Third Party Attachments".

4.3 Any instruction of the Authority requiring the Service Provider to install Third Party Attachments shall be priced in accordance with the applicable rates set out in the Catalogue, or where no applicable rates are included in the Catalogue, paragraph 2.2 of part 1 of schedule 17 (*Change Protocol*) irrespective of whether such payment exceeds the amount specified in the definition of Low Value Change.

4.4 Where the Authority has instructed the Service Provider to install Third Party Attachments pursuant to paragraph 4.3, the Service Provider shall obtain all Necessary Consents relating to the relevant Third Party Attachment.

5. OTHER ATTACHMENTS AND ADVERTISING

5.1 The Service Provider and any Service Provider Party shall not be entitled to attach, fix or place any item or thing on any Project Network Part other than in accordance

with an express provision of this Contract or where there is no express provision in the Contract without the written consent of the Authority.

- 5.2 Throughout the Term, the Service Provider (or any Sub-Contractor or any person acting on the Service Provider's behalf) shall not attach Advertising to any Project Network Part unless agreed by the Authority pursuant to clause 59 (*Additional Income*).
- 5.3 Notwithstanding any other provision of this Contract, the Authority or an Authority Party may attach Advertising or telecommunications equipment to any Project Network Part without the requirement to obtain the consent of the Service Provider provided always that the Authority or Authority Party may only attach Advertising or telecommunications equipment to a Project Network Part where it has given notice to the Service Provider no less than five (5) Business Days prior to carrying out such attachment and shall at all times act reasonably and take into account the Service Provider's rights and obligations under this Contract.
- 5.4 The Service Provider shall not be responsible for the repair, or maintenance or any associated energy costs of any Advertising or telecommunications equipment attached by the Authority or any Authority Party to any Project Network Part. In the event of any damage being caused to any Project Network Part by the fixing, maintenance or removal of any Advertising or telecommunications equipment, paragraphs 3.10 to 3.14 (inclusive) shall apply.

6. UNAUTHORISED ATTACHMENTS

The Parties agree and acknowledge that the process for dealing with Unauthorised Attachments is set out in appendix B to this schedule 7 (*Attachments*).

7. TEMPORARY SHRINES

The Service Provider shall permit flowers and other offerings to be attached to Project Network Parts to create temporary shrines for a reasonable period of time having regard to the Authority instruction on this matter as notified by the Authority to the Service Provider from time to time, or such other time period as the Authority reasonably notifies the Service Provider in respect thereof. After such period, the Service Provider shall remove and store the offerings for one (1) Month before disposing of the same, unless such offering (such as flowers) has perished in which case the Service Provider shall dispose of the offering.

APPENDIX B

Unauthorised Attachment Protocol

1. The Service Provider shall follow any protocol issued by the Authority (as amended from time to time in accordance with schedule 17 (*Change Protocol*) in relation to Unauthorised Attachments.
2. Where (in accordance with any protocol issued by the Authority or otherwise where no protocol has been issued or does not apply) the Service Provider discovers any Unauthorised Attachment (whether discovered under the Attachments Survey or otherwise), it shall notify the Authority in writing of such Unauthorised Attachment within five (5) Business Days of such discovery and provide the Authority with a photograph of the Unauthorised Attachment, ensuring where reasonably practicable that such photograph shows any unique identifying reference for the Project Network Part to which the Unauthorised Attachment is attached, or otherwise provide details of any unique identifying reference with the notification.
3. Following receipt of the written notification referred to in paragraph 2 above, the Authority shall determine whether or not to authorise the Unauthorised Attachment.
 - 3.1 If the Authority determines that the Unauthorised Attachment ought to be authorised, it shall thereafter follow the procedure set out in this schedule 7 (*Attachments*) in order to authorise the attachment and issue a written notice within five (5) Business Days of receipt of the notice from the Service Provider under paragraph 2.
 - 3.2 If the Authority determines that the Unauthorised Attachment shall not be authorised, it shall notify the Service Provider in writing of its determination confirming the Authority's view.
 - 3.3 Notwithstanding the provisions of this paragraph 3, the Service Provider shall be entitled to remove any Unauthorised Attachment which it reasonably determines as falling into one or more of the following categories without prior notification to the

Authority and in any event, within twenty four (24) hours of the discovery of such Unauthorised Attachment:

- 3.3.1 any Unauthorised Attachment containing racist, abusive or otherwise unlawfully discriminatory content or one which could be reasonably construed as containing such; or
 - 3.3.2 any Unauthorised Attachment causing, or likely to imminently cause, danger or damage to any member of the public, the Authority or the Service Provider or any property belonging to the same (including where appropriate any Project Network Part).
4. In the case of an Unauthorised Attachment falling within any of the categories listed in paragraphs 3.3.1 or 3.3.2 above, the Service Provider shall take a photograph of such Unauthorised Attachment, ensuring where reasonably practicable that such photograph shows the unique identifying reference for the Project Network Part to which the Unauthorised Attachment is attached or otherwise note the details of any unique identifying reference for the Project Network Part. The Service Provider shall, in accordance with paragraph 3.3 above, remove the Unauthorised Attachment including any fixing used to attach the Unauthorised Attachment.
5. The Service Provider must notify the Authority of any Unauthorised Attachments which it has removed under paragraph 3.3 above within five (5) Business Days of removing the Unauthorised Attachment, and shall retain the Unauthorised Attachment for a period of thirty (30) Business Days after removing the Unauthorised Attachment before disposing of the same.
6. The Service Provider shall keep a register (the "**Unauthorised Attachments Register**") recording details of all Unauthorised Attachments discovered by the Service Provider (whether or not the same have been removed by the Service Provider). The Service Provider shall ensure that such register records the following details on the Unauthorised Attachment:
 - 6.1 any photographs taken;
 - 6.2 the Project Network Part to which the Unauthorised Attachment was attached (including its unique identifying reference where relevant);
 - 6.3 the date on which it was discovered;
 - 6.4 the date on which it was removed (if applicable); and

- 6.5 if not removed, the reasons as to why not, and the duration for such Unauthorised Attachment to remain attached if relevant.
7. Where the Authority elects, at its sole discretion, to take enforcement action against a Third Party, using information from the Unauthorised Attachments Register, the Service Provider shall provide, at the Service Provider's cost, reasonable assistance to the Authority in relation to such enforcement action, to include the provision of further statements and, if required, attendance at Court.
 8. If in the reasonable opinion of the Service Provider, the Service Provider considers that it is repeatedly notifying the Authority of Unauthorised Attachments which have been attached by the same Third Party, the Service Provider may request the Authority to undertake enforcement action, if such enforcement action has not already commenced. If the Authority agrees to take such enforcement action the provisions of paragraph 9 shall apply.
 9. The Parties acknowledge that the Authority may share information from the Unauthorised Attachments Register with other enforcement authorities, where appropriate, in order to support convictions.
