Pensions Auto Enrolment - May 2019

Please be aware that the Isle of Wight Council will be carrying out its third mass automatic re-enrolment exercise on 1 May 2019.

This means that in accordance with the pension regulations we are legally obliged to re-enrol any qualifying employees who are not currently a member of the pension scheme. This means you will have a pension contribution deducted from your salary at the end of May.

Any employees that do not wish to remain in the pension scheme can opt out. Pension contributions will however need to be deducted in the first month of re-enrolment. The consequence is you will have a deduction of pension contributions in your May pay which will be refunded through payroll the following month upon receipt of an opt out election.
