

RE PLANNING CONSULTATION

THE ISLAND IS RAPIDLY BEING OVER DEVELOPED AND THIS ONSLAUGHT SHOULD BE CURTAILED.

OVER DEVELOPMENT IS NOT SUSTAINABLE FOR THE GOOD OF THE ISLAND ITS PEOPLE AND ITS ENVIRONMENT.

OVER DEVELOPMENT OF THE PROPOSED NATURE IS PLAINLY AND UNARGUABLY UNSUITABLE DUE TO THE FOLLOWING UNDISPUTABLE FACTS

1 THE ISLANDS ROAD SYSTEM IS UNSUITABLE FOR THE INCREASE IN VEHICLES SUCH DEVELOPMENT WOULD CREATE (WE ALREADY SUFFER MAJOR CONGESTION FOR SUCH A SMALL RURAL AREA. AND ESPECIALLY IN THE SUMMER MONTHS (HOUSES FOR LOCAL ISLAND POPULATION NEEDING ACCOMMODATION ALREADY LIVING ON THE ISLAND YES)

2 PUBLIC HEALTH FACILITY'S WOULD BE WOEFULLY INADEQUATE HOSPITALS GPs and GP facilities,, DENTISTS AND SOCIAL CARE (WE ARE ALREADY SUFFERING ACUTE SHORTAGES IN THESE AREAS)

3 SHORTAGE OF JOBS , AND LARGE INDUSTRY'S ARE RELUCTANT TO DE - CAMP TO THE ISLAND DUE TO EXTRA PRODUCTION COSTS ENCOUNTERED REGARDING PROHIBITIVE FERRY CROSSINGS

4 MORE REMOVAL OF THE ISLANDS COUNTRYSIDE AND RURAL NATURE ,THE VERY THING THAT ATTRACTS TOURISM .OVER DEVELOPMENT ON THE PROPOSED SCALE WOULD RUIN THE ISLANDS UNIQUE CHARM FOR WHICH IT IS FAMED.

5 ALREADY NO OTHER ISLAND IN THE UK HAS AS MUCH OVER DEVELOPMENT AS THE ISLAND EVEN THE ISLE OF SKY (WHICH HAS A BRIDGE HAS CONTROLLED SUCH AN INCREASE IN HOUSING DEVELOPMENT

6 AN INCREASE IN SMALL TO MEDIUM SIZE BUSINESSES WOULD BE WELCOME IN ORDER TO GIVE LOCAL POPULACE MORE JOBS

NATIONAL GOVERNMENT IS NOT INTERESTED IN THE ISLANDS CONCERNS AND ITS RUINATION ONLY IN ACHIEVING SOME TARGETS THEREFORE WE SHOULD UNDERSTAND THIS AND STRONGLY RESIST THE GOVERNMENT DEMANDS BECAUSE ONCE WE LOOSE THE ISLANDS CHARACTER THERE WILL BE NO GOING BACK. AND WE WILL EVENTUALLY BIT BY BIT BECOME JUST A SOUTHERN SUBURB OF THE FUTURE IF WE DO NOT STAND FIRM AND PROTECT IT FOR FUTURE GENERATIONS. WE WILL LOOSE THE ISLANDS UNIQUE CHARM FOR WHICH IT IS FAMED,

LET US NOT HAVE TO BLAME HISTORICALLY THOSE LOCALLY IN PRESENT CONTROL FOR THE LOSS.
