

# Local council tax support consultation

## Why are we consulting?

### Proposed scheme

This year, we are proposing that the local council tax support scheme stays the same as it is now, and there are no changes made to the scheme.

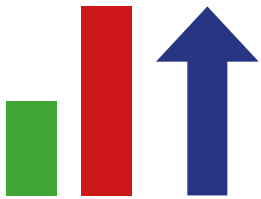

We would like you to tell us what you think about this.

It may be useful for you to ask a friend or relative to help explain them.

# The alternatives

**Alternative 1** – Increase the maximum level of support from 70 per cent to 75 per cent.

The biggest reduction you can get off your council tax is 70 per cent. This option means we would change this to 75 per cent.

**Alternative 2** – Decrease the maximum level of support from 70 per cent to 65 per cent

The biggest reduction you can get off your council tax is 70 per cent. This option means we would change this to 65 per cent.
