8. What modifications do you think are needed to make the Island Planning Strategy legally compliant and/or sound?

**Legal Consultation period is not in line with National legal requirements. Preparation has been obscure and seems a deliberate ploy to ignore local feedback and constructive comment**

12. Please outline why you would like to attend?

**To ensure that my rights as a local resident are heard, formally minuted and not ignores as seems the case to date. In essence this so called consultation document is anything but. The way its presentation, timing and notice has been handled is scandalous.**
