1. What type of respondent are you?

Member of the public

2. What IPS vision and objectives policy are you commenting on

Section 2 The Isle of Wight and the issues we face

3. Does your comment relate to a specific paragraph(s)? if yes which paragraph does this relate to?

11 days into the consultation period the original form which you filed for members of the public to complete was amended. Ineptitude and maleficence then followed. Why did you not reset the clock? If you are incapable of producing a legal form in the first instance for everyone to complete we should all have been given full time to complete your second attempt. Therefore what you are now proposing does not adhere to legal requirements. As such I will not be completing any other sections until you publicise and allow the correct consultation period.

4. In relation to the policy or paragraph you are commenting on, do you consider the Island Planning Strategy for submission to be legally compliant?

No

5. Please give details to support your answer to question 4

- **No, Failure to comply to Duty to Cooperate**
- **No - not legally compliant**

6. In relation to the policy or paragraph you are commenting on, do you consider the Island Planning Strategy for submission to be sound?

No

7. If you answered no to question six is this because?

- **Not effective**
- **Not justified**
- **Not positively prepared**

8. What modifications do you think are needed to make the Island Planning Strategy legally compliant and/or sound?

11 days into the consultation period the original form which you filed for members of the public to complete was amended. Ineptitude and maleficence then followed. Why did you not reset the clock? If you are incapable of producing a legal form in the first instance for everyone to complete we should all have been given full time to complete your second attempt. Therefore what you are now proposing does not adhere to legal requirements. As such I will not be completing any other sections until you publicise and allow the correct consultation period. Total incompetence and failure.

No
