

Phase 6: Northbound contraflow (towards Cowes)

FROM EARLY APRIL TO MID JUNE*

- Forest Road still open in both directions
- Contraflow lane on the **northbound carriageway** taking traffic going past the hospital site as you head towards Cowes onto the right-hand side of the road. This lane will then re-join the left-hand side again near the exit to St Mary's Hospital, outside HMP Isle of Wight
- One lane closed on the northbound dual carriageway heading towards Cowes as before

*Timescales are approximate and can be subject to change
