

Pipeline of potential procurement activity - April 2025 to June 2026

Information published on a pipeline is provided for planning purposes only and does not create any commitment to undertake all or any of the activities as set out in the pipeline. It is only an indication of potential opportunities. Similarly, the information included within the pipeline may be subject to change.

For the avoidance of doubt:

The projects indicated in the published pipelines are only a possible indication of tendering opportunities

Information is subject to change including dates and values

The identification of a project on the pipeline does not commit the Council to a formal tender

The Council may look to tender via the method indicated or by other means than Find a Tender, e.g. calling off from an established framework
