

Short Breaks Activity Grant Funding Guidance Notes 2025

Please consider the following information prior to completing the Short Breaks Activity Grant application form.

The activity funding is solely for activities aimed solely at children and young people with disabilities and/or additional needs.

Length of Grant

Grants are available for:

6 months (April 2025 to September 2025/October 2025 to March 2026)

12 months (April 2025 to March 2026)

To qualify for 12 months funding you must have been awarded 6 months funding previously.

Award Amounts

6 months funding awards are available up to £5,000

12 months funding awards are available up to £10,000 if the activity duration is more than 3 hours, £5,000 if the activity duration is between 1 to 3 hours.

Parents should not be required to stay unless 1:1 support is required by a carer/parent and this would need to be funded separately. The aim of the Short Breaks programme is to provide activities for children/young people with disabilities and/or additional needs but also give the parents/carers a 'short break'.

Funding of up to £3,000 can be applied for if parents are required to stay.

Type of Activity

Funding is intended for sports, recreation, leisure and childcare organisations/services to provide an activity opportunity for children and young people with disabilities and/or additional needs which do not conflict with education i.e. running during schools term-time hours. These activities or events can be a singular or series of sessions.

Young Inspectors

Part of your grant agreement is also a requirement for your activity provision to be reviewed by the Young Inspectors programme.

The Young Inspectors programme is a child and young people participation initiative which aims to increase the involvement of children and young people in service/provisions. They aim to provide advice to activity providers to support tailoring sessions to meeting the needs of children and young people with disabilities and/or additional needs participating within sessions.
