# About

This guide should take you through the key aspects of the toolkit and help you get the most from it.

We are constantly evaluating and developing the toolkit based on the feedback we receive from teams and organisations, so do feedback your thoughts throughout the year and we will consider them within future edits and developments.

If you have any further suggestions and ideas please contact the Green Impact Programme Manager on [charlotte.bonner@nus.org.uk](mailto:charlotte.bonner@nus.org.uk).

# 1. Signing up and logging in

The screenshot shows the NUS Green Impact website. On the left is a navigation menu with buttons for Intro, Bronze, Silver, Bonus, Labs, Special, and Submit Workbook. The main content area is titled 'Welcome to Green Impact!' and includes a description of the accreditation scheme and a video player for the 'Green Impact Introduction Video'. On the right, there is a login/register section with buttons for 'Login', 'Register' (highlighted with a red box), and 'Lost Password'. Below this is a 'Tweets' section showing recent tweets from @SocialResponUoM, @ThinkSustUoM, and @OfficialUoM.

When you first arrive at your organisation's toolkit, register yourself if you are new to the programme.

Click on the register link to sign up for the first time.

Once you have registered, you simply click Login each time you arrive.

# 1. Signing up and logging in

**Registration**

Please note you are asked to register as an individual rather than as a team so please register yourself to the workbook by entering you details below. You will be aligned to the team you choose from the 'Team' dropdown menu. If your team isn't listed in the 'Team' dropdown menu, that means you are the first person from your team to register for the Green Impact programme, therefore, please also enter your team's details.

You can fill out your details, and either add yourself to an existing team if you are joining a department to take part, or create a new team yourself.

Be sure to add as accurate a number as possible when it asks you how many people are in your team, how many people your team covers and where it is based.

This really helps us to monitor the reach of the programme and know where to find you if we need to!

## 2. Welcome to your team

The screenshot shows the NUS Green Impact Manchester 1824 website. At the top, there is a navigation bar with the NUS logo, the Manchester 1824 logo, and links for 'About', 'Help', and 'Contact'. Below the navigation bar, there is a sidebar on the left with five tabs: 'Intro' (blue), 'Bronze' (orange, 'Completed 0 of 21'), 'Silver' (grey, 'Completed 0 of 16'), 'Bonus' (green, 'Completed 0 of 97'), and 'Labs' (pink, 'Completed 0 of 53'). The main content area is titled 'Welcome to Green Impact!' and contains the following text: 'Welcome to your team's Green Impact Universities workbook.', 'First, please watch the short instruction video below. Then you can use the navigation tabs on the left to look at Manchester's bespoke workbook. This has been developed to help you and your colleagues improve the environmental performance of your team.', and 'If you click on the 'Bronze', 'Silver' and 'Bonus' tabs you will see the different criteria. You can work simultaneously through the different levels if you wish.' On the right side of the main content area, there is a sidebar with a list of links: 'Profile', 'Activity Log', 'Evidence Uploads', 'Archive Workbook', and 'Logout'. Below this list, there is a red-bordered box containing the text 'Team name: example' and 'Members: example example'.

You can see who else is in your team in the 'members' section on the front page of your workbook.

The main body of text on the front page will talk you through how the programme will run at your organisation – the scoring system, submission deadline and anything else important for the year ahead.

# 3. Amending your profile

The screenshot shows the NUS Green Impact Manchester 1824 website. At the top left is the 'nus green impact' logo. To its right is the 'MANCHESTER 1824' logo. Further right are links for 'About', 'Help', and 'Contact'. On the left side, there is a vertical navigation menu with five colored tabs: 'Intro' (blue), 'Bronze' (orange, 'Completed 0 of 21'), 'Silver' (grey, 'Completed 0 of 16'), 'Bonus' (green, 'Completed 0 of 97'), and 'Labs' (pink, 'Completed 0 of 53'). The main content area is titled 'Welcome to Green Impact!' and contains three paragraphs of introductory text. On the right side, there is a sidebar with a list of buttons: 'Profile' (highlighted with a red border), 'Activity Log', 'Evidence Uploads', 'Archive Workbook', and 'Logout'. Below this list are two text input fields: 'Team name: example' and 'Members: example example'.

If you need to change any of your log in details after signing up to the toolkit, you can access this by clicking the profile button.

## 4. Your scoring system

The screenshot displays the NUS Manchester Green Impact website. At the top, the NUS logo and 'green impact' branding are visible, along with the Manchester 1824 logo and navigation links for 'About', 'Help', and 'Contact'. A left-hand navigation menu features several colored tabs: 'Intro' (blue), 'Bronze' (orange, 'Completed 0 of 21'), 'Silver' (grey, 'Completed 0 of 18'), 'Bonus' (green, 'Completed 0 of 97'), 'Labs' (pink, 'Completed 0 of 53'), 'Special' (purple, 'Completed 0 of 5'), and 'Submit Workbook' (red). The main content area is titled 'Welcome to Green Impact!' and contains a welcome message: 'Welcome to your team's Green Impact Universities workbook.' Below this, a red-bordered box highlights instructional text: 'First, please watch the short instruction video below. Then you can use the navigation tabs on the left to look at Manchester's bespoke workbook. This has been developed to help you and your colleagues improve the environmental performance of your team. If you click on the 'Bronze', 'Silver' and 'Bonus' tabs you will see the different criteria. You can work simultaneously through the different levels if you wish, however the accreditation is a cumulative process, so you will need to fulfil all the criteria in the Bronze level in addition to Silver, if you wish to get a Silver standard. The Gold standard is awarded to departments who also complete enough Bonus and Special criteria to score at least 300 points overall. The 'Special' tab is there for you to tell us of any other environmental initiatives you are involved in that are not covered by the Bronze, Silver and Gold criteria. Once you have finished all the work your team wishes to do this year and want to submit'. To the right of the main content, there is a 'Profile' section with links for 'Activity Log', 'Evidence Uploads', 'Archive Workbook', and 'Logout'. Below this is a 'Team name' field with 'example' and a 'Members' field with 'example example'. At the bottom right, there is a 'Tweets' section showing a tweet from @SocialResponUoM about a signature programme.

You can see how each award level is calculated on the **Welcome to Green Impact** page after logging in.

This will also explain how any additional tabs, such as Labs or Catering are scored and whether you and your team need to work on them or not.

# 5. The toolkit tabs

The majority of organisations have a combination of Bronze, Silver, Bonus and/or Gold tabs (but yours may be labelled differently). These are where your tasks for each level are located, each level being slightly more challenging to push you further in your greening actions!

Click on each tab to start working on your awards.

Some organisations have additional tabs for specialist departments or areas of their buildings. You will be able to see these in the list of tabs down the left hand side if your organisation is taking part in these. Read the instructions on the **Welcome to Green Impact** page after you log in to see which ones are relevant to you.

## 6. Your Green Impact criteria

The screenshot displays the 'nus greenimpact' interface for 'MANCHESTER 1824'. At the top, there are navigation links for 'About', 'Help', and 'Contact'. Below the header, a progress bar shows stages: 'Back to menu', 'Bronze', 'Silver', 'Bonus', 'Labs', and 'Special'. A 'Save Changes' button is present. A status box indicates 'Completed 0 of 21. Total Points 0 of 109'. The main content area lists five criteria themes, each with a '+ Show All' link and completion status:

- (B001 - B004) Waste & Recycling + Show All Completed 0 out of 4
- (B005 - B009) Energy + Show All Completed 0 out of 5
- (B010 - B011) Travel + Show All Completed 0 out of 2
- (B012 - B014) Procurement + Show All Completed 0 out of 3
- (B015 - B021) Greening teams, action plans and communications + Show All Completed 0 out of 7

We have broken down each award level into clear themes within the toolkit. We hope this will make it easier for you to see what is included in each award, and look less daunting than one big long list.

You can see how many actions you have completed and what your score is at the top of each page.

By clicking on **Show All** you can expand each theme to show you the criteria within it.

# 6. Completing Green Impact actions

Each action comprises 4 sections:

1. The action itself – this should be a clear outline of what action you can take in your department to make an impact but is open for you to complete as you wish within your team.
2. Further Information – this will let you know why the action is important, where you access further resources and may give guidance on the type of activity you can take to complete it.
3. How you will be audited – simple outline of what evidence you need to collect.
4. Comments/evidence – your space to record progress to date, coordinate with your team members and upload final pieces of evidence.

B004	Criteria	Further Information	How you will be audited	Comments/Evidence	Total Points	5	○	○	○
<b>B004 - Waste &amp; Recycling</b>									
During the festive season the team have encouraged colleagues to send Christmas E-cards and / or cards from charity outlets.							Not Done	N/A	Done

# 6. Completing Green Impact actions

When you are ready to say you have done a task, simply click on the button to the right of the criteria.

If you click **done** a pop-up box will appear and ask if you have completed this task as a result of Green Impact. Please select Yes or No accordingly as this helps us see what tasks you and your team were doing already, and which ones green Impact inspired you to complete.

If you can't complete any action for reasons out of your control, you can select 'Not Applicable' and still get the award. Auditors may need evidence of why this is not applicable to you.

Just make sure, as with any edits you make in the workbook, you click **save changes** before leaving the page!

The screenshot shows the nus green impact Manchester 1824 website. The top navigation bar includes the nus green impact logo, the Manchester 1824 logo, and links for About, Help, and Contact. Below the navigation bar is a progress bar with buttons for Back to menu, Bronze, Silver, Bonus, Labs, and Special. A Save Changes button is also present. The main content area displays the Waste & Recycling criteria section, which is currently completed 0 out of 4. A table lists the criteria, with columns for Criteria, Further information, How you will be audited, Comments/Evidence, and Total Points. The table shows two criteria, B001 and B002, both with a Total Points of 3. A red box highlights the 'Not Done', 'N/A', and 'Done' buttons for each criterion. A pop-up question box is overlaid on the page, asking 'Are you doing this as a result of green impact?' with 'No' and 'Yes' buttons. The nus green impact logo is also visible in the bottom left corner.

# 7. Uploading evidence

When you have completed an action, you can upload evidence to submit with your workbook.

Click on the red 'upload a file' button in the action you have evidence for, and then attach your file. It will accept most types of file (Excel, PowerPoint, Word, PDF) up to a maximum size of 4MB.

(Please note that for successful upload, **file names cannot have any full stops in the title**).

You do not have to store your evidence in this way, but it is advisable to make your filing and submission a lot easier. Look in the 'How you will be audited' section and ask your local GI lead for any specific details of how they would like you to evidence your action. It will also make the audit quicker.

The screenshot shows a web interface for NUS Green Impact. At the top, there are tabs: 'B004', 'Criteria', 'Further Information', 'How you will be audited', 'Comments/Evidence', and 'Total Points'. The 'Total Points' tab shows a score of 5. Below the tabs, there is a 'Comments' section with a text area. At the bottom, there is a section titled 'Upload Evidence' which contains a red button labeled 'Upload a file' and a link 'View all evidence'.

# 8. Leaving comments

You can also leave comments in the final tab for each action. You can give your team information about what action you have taken, or provide more details for the auditors on why you have done something in a particular way.

To edit or delete your own comments, click on 'activity log' on the main welcome page.

You will then be presented with a list of all the comments that have been inputted. Click on the action reference you want to edit to see the comment. You can then edit or delete your own comment – **remember to click update!**

**NB: You can only amend your own comments**

# 9. Using last year's submission

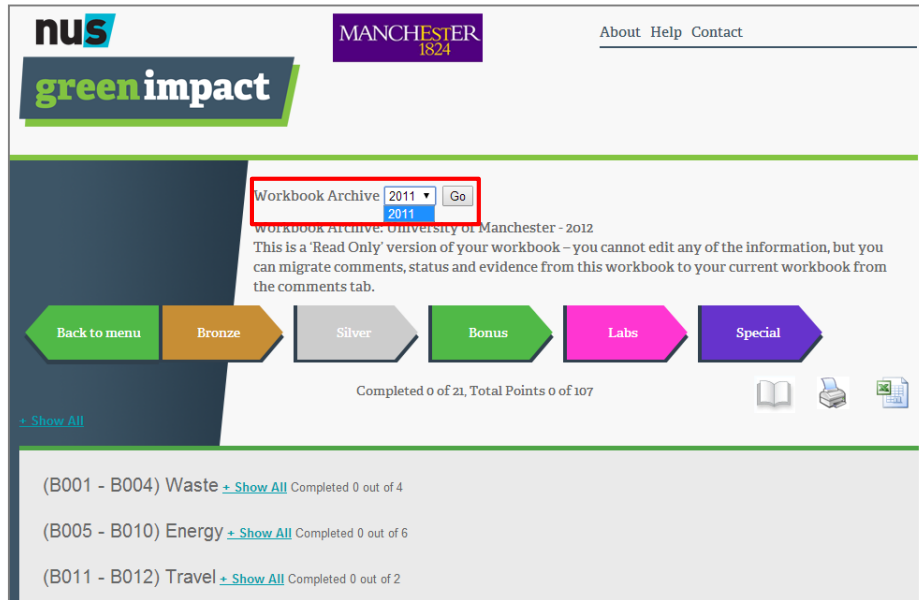

The screenshot shows the NUS Green Impact Manchester 1824 website. On the left is a navigation sidebar with buttons for Intro, Bronze (Completed 0 of 21), Silver (Completed 0 of 16), Bonus (Completed 0 of 97), Labs (Completed 0 of 53), Special (Completed 0 of 5), and Submit Workbook. The main content area is titled 'Welcome to Green Impact!' and contains a welcome message, a video instruction, and a detailed explanation of the accreditation process. On the right, there is a user profile section with buttons for Profile, Activity Log, Evidence Uploads, Archive Workbook (highlighted with a red box), and Logout. Below this is a section for team information (Team name: example, Members: example example) and a 'Tweets' section showing a tweet from @SocialResponsibility.

If your team took part in previous years, you can transfer evidence and actions to this years workbook.

Click on the 'Archive Workbook' button on the front page of the workbook.

This archive toolkit will be un-editable but will allow you to select individual actions and evidence to migrate over to your new toolkit.

# 9. Using last year's submission

The screenshot shows the 'nus green impact' website interface. At the top, there are logos for 'nus green impact' and 'MANCHESTER 1824', along with links for 'About', 'Help', and 'Contact'. Below the header, there is a 'Workbook Archive' section. A red box highlights a dropdown menu showing '2011' and a 'Go' button. Below the dropdown, it says 'Workbook Archive: University of Manchester - 2012' and 'This is a 'Read Only' version of your workbook - you cannot edit any of the information, but you can migrate comments, status and evidence from this workbook to your current workbook from the comments tab.' Below this, there are five colored buttons: 'Back to menu' (green), 'Bronze' (orange), 'Silver' (grey), 'Bonus' (green), and 'Labs' (pink), followed by a 'Special' button (purple). Below the buttons, it says 'Completed 0 of 21, Total Points 0 of 107'. At the bottom, there is a list of categories: '(B001 - B004) Waste', '(B005 - B010) Energy', and '(B011 - B012) Travel', each with a '+ Show All' link and a completion status.

The Archive workbook will appear as a pop up tab, so you can move between your current and archive workbook easily.

The most recent past year will appear first. You can see this from the title below the dropdown box. If you have taken part for more than one year, you can select an older year's toolkit by selecting the date here.

This will open a second pop up toolkit.

Be aware that some of the data on your achievement report will be updated overnight so will only be correct first thing in the morning each day. This is due to more complex calculations being required to gather this data and show it to you through the report.

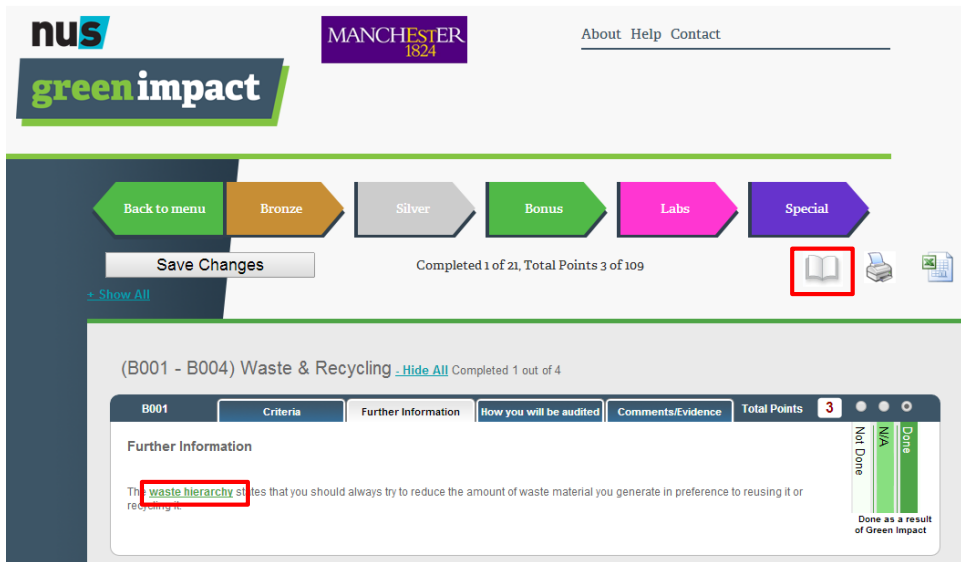

Those highlighted here will be updated overnight. The rest will be live data.

**NB: not all of these tiles may be visible to you and your organisation – they are chosen by your programme administrator to best fit the needs of your programme. When tiles are not displayed, a grey tile will appear in it's place.**

# 11. Using the glossary

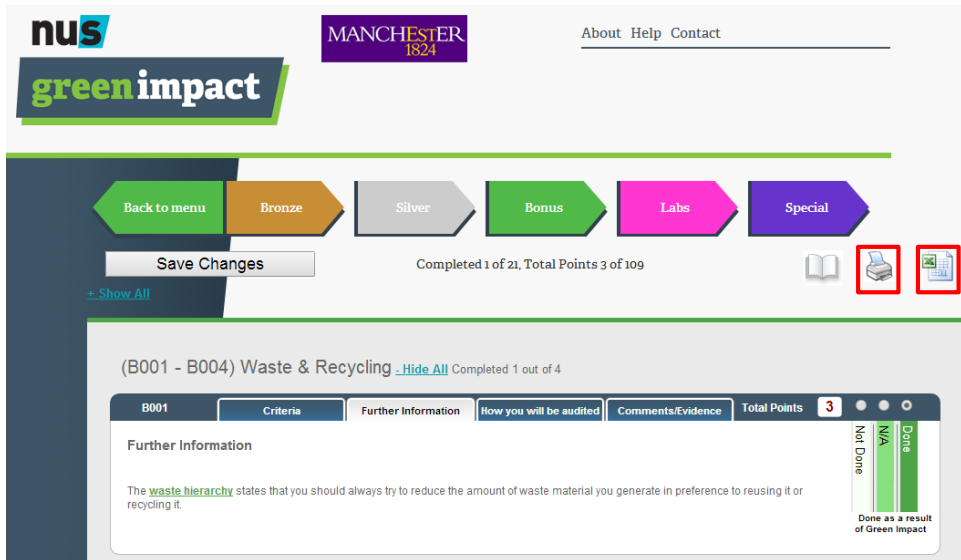

The screenshot shows the nus green impact website interface. At the top, there are logos for nus green impact and MANCHESTER 1824, along with links for About, Help, and Contact. Below the logos is a navigation bar with buttons for Back to menu, Bronze, Silver, Bonus, Labs, and Special. A Save Changes button is also present. A progress indicator shows 'Completed 1 of 21, Total Points 3 of 109'. A red box highlights a book icon, which is the glossary icon. Below the navigation bar, there is a section for '(B001 - B004) Waste & Recycling' with a 'Hide All' link and a 'Completed 1 out of 4' status. A table is displayed with columns for B001, Criteria, Further Information, How you will be audited, Comments/Evidence, and Total Points. The 'Further Information' column contains the text 'The waste hierarchy states that you should always try to reduce the amount of waste material you generate in preference to reusing it or recycling it.' A red box highlights the words 'waste hierarchy' in this text. On the right side of the table, there are three vertical bars labeled 'Not Done', 'N/A', and 'Done', with the 'Done' bar being green and labeled 'Done as a result of Green Impact'.

The glossary is a list to explain terms you may not be familiar with, or give further explanation as to why they are important. You can access our full glossary by clicking the book icon on every page.

Within many actions you may also find hyperlinked words. Simply click on the word and it will open the glossary in a separate window so you can find out more about the term.

# 12. Downloading and printing the toolkit

The screenshot shows the nus green impact toolkit interface. At the top, there are logos for nus and MANCHESTER 1824, along with links for About, Help, and Contact. Below the logos, there are progress bars for Back to menu, Bronze, Silver, Bonus, Labs, and Special. A 'Save Changes' button is visible. The main content area shows a table with columns for Criteria, Further Information, How you will be audited, Comments/Evidence, and Total Points. The table has 3 rows, with the first row highlighted. The 'Further Information' column contains text about the waste hierarchy. The 'Total Points' column shows a score of 3. On the right side of the interface, there are three icons: a book icon, a printer icon, and an Excel export icon, all of which are highlighted with red boxes.

To help you use the toolkit with those who maybe don't have computer access, or to enable you to use a hard copy of the toolkit to plan with your team, you can print and export it.

These icons let you print the toolkit, or export each award type to an excel document.

Obviously we would encourage you not to print lots of copies, so hopefully the excel function will help you use the toolkit without needing to print. The excel function also shows you the comments and actions completed, so is a live representation of your work at the point of download.

## Team Resource Bank

Welcome to the resource bank for Green Impact team members! This page is designed to help give extra inspiration and support as you work through the online of your workbook. Sample resources are examples from across the country of putting actions into place and listed according to workbook theme, while example templates are outlines they can use to achieve actions again listed in workbook theme. We hope you find them useful.

Either click on the URLs to just view them, or right click and select 'save target link as' to download the files to your computer.

If you have something which you think should be shared with other Green Impact participants, then please email it across to us and we'll be glad to include it!

For your information, the full user guide for the online workbook can be found here, so feel free to download it if you would like to keep a copy for your reference.

# 13. Submitting your toolkit

The screenshot shows the NUS Green Impact website. At the top, there are logos for 'nus green impact' and 'MANCHESTER 1824', along with links for 'About', 'Help', and 'Contact'. A left-hand navigation menu contains several colored buttons: 'Intro' (blue), 'Bronze' (orange, 'Completed 0 of 21'), 'Silver' (grey, 'Completed 0 of 16'), 'Bonus' (green, 'Completed 0 of 97'), 'Labs' (pink, 'Completed 0 of 53'), 'Special' (purple, 'Completed 0 of 5'), and 'Submit Workbook' (red, highlighted with a red rectangle). The main content area is titled 'Welcome to Green Impact!' and contains a welcome message, an instruction to watch a video, and a detailed explanation of the accreditation process. On the right side, there is a 'Profile' section with links for 'Activity Log', 'Evidence Uploads', 'Archive Workbook', and 'Logout'. Below this is a 'Team name' field with the value 'example' and a 'Members' field with the value 'example example'. At the bottom right, there is a 'Tweets' section showing a tweet from @SocialResponsUoM.

When you are happy that you and your team have completed as many actions as you can, uploaded all of the right evidence and edited your comments to be suitable for your auditors to use, you are ready to submit your toolkit.

Simply click on the 'submit toolkit' button and you will be asked for any final comments before your toolkit gets sent to the Green Impact team at NUS.

You can then get excited for your awards ceremony!
