Your information will be used to allow the Council to process your application. In accordance with Data Protection law, the legal basis for this is for the performance of a task carried out in exercise of official authority. Your information will be shared with other council departments and relevant external bodies for the purposes of processing your application. You can find further details of how we use the information you provide and who to contact if you have enquiries at: www.iow.gov.uk/licensing.

The Licensing Authority is required by law to share data with the Department for Environment, Food & Rural Affairs (Defra) so that they can create a database to support the operation of charging clean air zones by local authorities or other air quality plans.
