Dear candidate,

I am delighted that you have requested an application pack, and are considering whether you wish to further your career here with us at Wroxall Primary School.

Wroxall is a small village primary school with five mixed-age classes. We pride ourselves on our CARE values (Challenge, Achievement, Resilience and Enjoyment) and are seeking a candidate who shares our vision. We were recently inspected by OFSTED who validated the school's self-assessment and judged the school to be 'good' for: Behaviour and Attitudes, Personal Development, Leadership and Management and Early Years provision. Since this time we have worked tirelessly to ensure that the quality of education effectively meets the needs of all learners in all subjects.

Wroxall Primary School is an exciting place to be, a school focused on moving forward with the best outcomes for children at the heart of all we do. This role is a great opportunity for someone who is keen: to develop their skills; progress their career; motivate and inspire children and embody our vision of providing the very best for each and every pupil. We are seeking an excellent individual who has experience, patience and understanding, enthusiasm, drive and dedication to join our team and truly make a difference to future outcomes for our children.

The role currently advertised will involve working as a learning support assistant to support teaching and learning within our Year 4/5 class. Relevant qualifications and previous, recent experience of working within KS1 or KS2 will be essential for any candidate. Experience of supporting the delivery of systematic, synthetic phonics will also be desirable. Working as part of a supportive, hardworking and dedicated team, opportunities to access quality CPD are ongoing. The school is a reflective environment where you will be expected to contribute to a strong team ethos.

Please read the Job Description and Person Specification carefully and complete the application form giving as much relevant information as you can.

Visits to the school are highly recommended. Please do feel welcome to contact the school office via email or phone to arrange this. Thank you for taking the time to enquire about the opportunity to join our welcoming and dedicated team.

I look forward to receiving your application.

Yours sincerely

Lynn Torrance
